San Rafael City Schools (Marin County) is seeking a dynamic, proven school principal to lead San Rafael High School to distinction. The ideal candidate will see this as a powerful and desirable leadership opportunity to dramatically impact student achievement for high school students.

- Demonstrated instructional leadership as a teacher and school administrator
- Possess deep knowledge of curriculum standards and secondary program design
- A skilled communicator/collaborator, adept at community building
- Committed to enhancing/supporting the potential of each student to be successful in high school, in top colleges, in post-secondary careers, and the competitive world beyond
- Thrives in the high school environment, is highly visible, engaged and connected to students and parents
- Spanish language abilities are highly desirable

**The principal will:**
- Define the school’s vision with members of the greater school community that honors collaboration, trust, and commitment to learning
- Create and build site level teams able to set high expectations and achieve positive and dramatic student achievement results
- Create a vibrant, positive school culture that values and respects the diversity of students and families
- Create a comprehensive “early warning” system that supports the successful graduation of students
- Create a highly desirable and compelling school environment that attracts and retains students from the entire school community

The new principal will have the support and assistance of the Superintendent and Superintendent's Cabinet, yet have the flexibility to make site based decisions that support the Board of Education’s strategic plan.

**Competitive salary & generous benefits package**
